Christopher Pryor

Because of the destruction of records in Gloucester County no history has been compiled of this family. We know that the name was represented as early as 1691 in Ware Parish. ~~The name~~ Christopher Pryor is found on several early tax list, one he signs himself as Deputy clerk. He was on the list of carriage owners compiled in the county in 1704. Through Bible records preserved in the family of his descendants copies to be found in Tyler Quarterly Vol. X page 203 and ~~III~~ 288 his marriage is proven although dates are missing. Proof of Revolutionary war service is found in the Archives of the Va. State Library. (Comm) and. acct. ~~XXX~~ - 307.
